ITINERARY

February 7: Mahé Island - Sainte Anne Channel - *Embark 1pm*

Embark on Mahé Island, where granite peaks meet the sea and Creole culture reflects centuries of African, European, and Asian exchange. Depart via the Sainte Anne Channel, passing calm waters and green hills beneath the salt-tinged air.

February 8: Sainte Anne Channel - Cousin Island

Cousin Island stands as one of the Indian Ocean's most important conservation success stories. Once heavily exploited, it is now carefully protected, allowing rare seabirds and native plants to reclaim the landscape and thrive.

February 9: Praslin Island

Praslin is shaped by ancient forests and valleys. Towering palm trees shelter the famed coco de mer, a rare seed found only in the Seychelles and long surrounded by maritime lore. Clear coastal waters and inland trails make the island ideal for snorkeling and hiking.

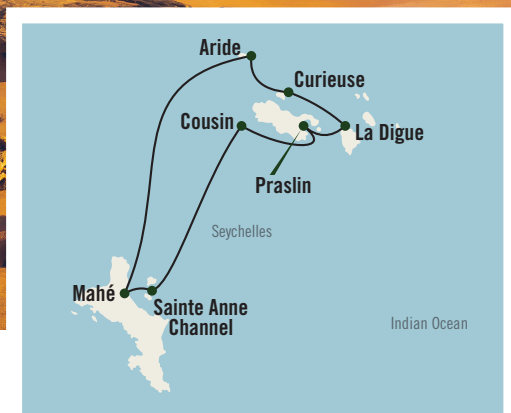

February 10: La Digue Island - Curieuse Island

On La Digue Island, bicycles are central to daily life. Limited roads and few vehicles create a slower rhythm for locals, reinforcing a culture that values simplicity, shared space, and an unhurried pace.

February 11: Curieuse Island

Mangrove forests, open beaches, and freely roaming giant tortoises make up Curieuse Island, once used as a leper colony and now protected as a national marine park, its remaining buildings and managed habitats marking a clear transformation from isolation to preservation.

Port locations and times may be subject to change.

February 12: Aride Island

The northernmost island of the granitic Seychelles, Aride Island, is dominated by seabird colonies. Thousands nest across rocky slopes and native vegetation found nowhere else in the Seycheeles. With no permanent development or residents, the island presents a rare view of an ecosystem shaped almost entirely by natural forces.

February 13-14: Mahé Island - *Disembark 8am*

Returning to Mahé Island brings the journey full circle. Disembark surrounded by mountainous backdrops, sheltered coves, and vibrant Creole influences.

ITINERARY HIGHLIGHTS MAY REQUIRE A PAID SHORE EXCURSION AND MAY NOT BE INCLUDED IN THE CRUISE FARE.
