## Be known by Oregon Staters!

Is your bar or restaurant a great place for Beavers to gather and watch the game?

Would you like to become known as the Oregon State game watch location in your area?

Could a predictable, weekly group of Beaver fans, help your bottom line?

The Oregon State University Alumni Association is looking for fun environments to promote as Beaver friendly sites to watch the game, in accordance with local pandemic health guidelines, in cities across the country.

### Here's what we ask:

- Have access to the Pac-12 Network (Pac-12 Oregon Network).
- Be willing to turn the game on (if possible, audio as well) when Beaver fans are there.
- Consider offering Beaver fans food and/or drink specials.
- Put our game schedule on your event calendar.

### Here's what we offer:

- Monthly game watch announcements emailed to our constituents in your area, promoting your business as a Beaver Friendly game watch location. (During football season. Basketball to be determined)
- Frequent mentions on our social media pages.
- Promotion of your business on our game watch page throughout the (football) season.
- We also promote the overall game watch program:
  - In our weekly email newsletter
  - At alumni association tailgaters
  - On our social media pages
